### Welcome to the 2023 Lake Hayes A&P Show

### Going Waste Free - oh and did we mention the Topp Twins are coming!!

The committee are working hard, as I write this, to make sure we have everything we need in place to make this a fabulous 107<sup>th</sup> Lake Hayes A&P Show. We are looking forward to returning with horses, sheep, trade stands, food & market stalls, children's entertainment, competitions, home industries and THE TOPP TWINS.

So, how are we Going Waste Free? Thanks to the DISHrupt initiative, our food vendors will be using reusable plates and cutlery rather than single use items. You will see collections points around the Show for these reusable items and food waste (we have dedicated compostable waste bins too!), as well as our own mug library for reusable cups. Please help our efforts to reduce waste produced by bringing along your own reusable cups and water bottles, we will have free water refill stations thanks to Aquafilter & QLDC.

Secondly, we are improving our transport options. With a new dedicated bus route from Arrowtown as well as our usual Park & Ride, we are also providing a safe way to cycle or walk to the Show from Lake Hayes Estate & Shotover Country. You won't need your car this year to come and see Dame Jools and Dame Lynda.

Thirdly, we will have more entrances this year and are introducing Eftpos & contactless payment for ticket entry rather than cash. Cash & cards will be accepted at stalls but please keep your cash for once you are through the gates. Please look for further details on our Facebook page & website about entry logistics. All entrances will be looked after by volunteers, please be kind.

Now the fun stuff, our equestrian committee have been burning the midnight oil coming up with exciting changes to the afternoon show jumping. And then someone mentioned racing Hobby Horses. It's going to be different that's for sure.

Trade are looking forward to welcoming the Coastguard, the return of the Rescue Helicopter and bouncy castles for the kids. It is going to be a very busy show. Did I mention the Topp Twins? Two sets on stage and who knows who might turn up in the main arena.

I wonder if Camp Mother will be entering anything into the Home Industries competitions. Must tell the team to look out for the entry. Although the Arrowtown Lifestyle Village entries take some beating.

As ever, we could not run this Show without the invaluable & loyal support of our sponsors, funders, and volunteers. We are fortunate to have Arrowtown Lifestyle Village once again as our main sponsor. In addition, this year our support team has been joined by Queenstown Airport and Destination Queenstown together with QLDC and Central Lakes Trust. Thank you.

Can't wait to see you there

# Jumping Events in the Main Ring

**Chief Steward – Ashley Marie Robb**

Jumping events will begin at approximately 2pm.  
Ring designation may differ depending on entries.

## Ring 1: Kiwi Derby

Kiwi Derby is a hunter jumping event with a twist. Judged on style and technique rather than speed, riders navigate their horses over a course of obstacles – traditional jumps are interspersed with less traditional obstacles that require the rider to demonstrate refined control and technique in order to navigate them. The obstacles chosen can be of any nature suited to the level of rider in the class and may include cowboy challenge type obstacles such as bridges to cross, gates to open, a box to halt inside of and rein back out of etc.
