Judges of stock in arriving at their decisions are directed not to give undue weight to high conditions (except in the Classes for Prime Stock), but to award the Prizes to the animals in Class, which they consider best represent the particular breed or description intended to be encouraged. The Judges are directed to pass over all those whose want of condition betokens weakness of constitution, however great their merit may be in all other respects. Where there are, in any Class, animals of different ages, the Judges are requested to take such difference into consideration in awarding the Prize: and, also in the case of females, as to whether in our or giving milk, so that want of condition from either of these causes may not militate against the animal possessing the greatest merit: but any animal which in the opinion of the judges, is barren – if not proved to the contrary- shall not be eligible to take a Prize, except in the Prime Stock Classes. No prize will be awarded or paid by the Association unless the exhibits qualify for same in the presence of the Judges.

If the matter is in regard to an RAS official, the show may request the assistance of RAS Head Office as to how to deal with this in an appropriate manner.
18. Northern A&P Association supports the RAS In-Line Resolution Process Policy . A Yellow or Red Card will be issued, in cases of offences in respect of abuse of animals or inappropriate behavior as per the RAS Constitution and the RAS Rules & Regulations/Bylaws including the Equestrian Rulebook, the RAS affiliated Show/Event/registered Measuring Stand and their grounds and their duly appointed delegates may deliver to the Person Responsible a Card (either immediately or within 10 days of the show) which suspends any penalty until possible new offences. Full wording of the In-Line Resolution Process Policy is available to view on the RAS website – [www.ras.org.nz](http://www.ras.org.nz)

### **Tips for Preserves exhibitors**

- When showing all jars should be sparkling clean.

- Marmalade – judges look for a light colour and evenly distributed fruit.
- Pickle - a spoonful should stay in a lump when turned onto a plate.
- Tomato sauce – judges look for a bright red sauce without seeds.
- Bottled fruit and vegetables – judges like to see the fruit down to the bottom of the jar, no air bubbles and minimal sediment.
- Eggs – judges look for 3 eggs which match each other, with no spots or marks on them, bright orange yolks and firm whites.

### **Tips for Cookery exhibitors:**

- Pikelets – the judge should be able to see the light through them.
- Shortbread – judges look for square shortbread,  $\frac{1}{4}$  of an inch thick, with 3 fork pricks in it. It should pale on the top and bottom, and break in a straight line when snapped. A crooked break suggests slight overcooking.
