President's Message...

Welcome to 2025's Northern Wairoa A&P Show - your show, whether you are here as one of our wonderful locals or as a guest to Arapohue and the western Kaipara for the day. The essence of this show, and those like it which are experiencing a surge of popularity around New Zealand, is togetherness and hospitality. Because, while those who are here to shear, to ride, and to proudly present their finest livestock and produce meet in the spirit of friendly competition, A&P shows have always been a great social occasion.

The long and storied history of the Northern Wairoa A&P Show is proof that farming is in our heritage. There are those present here today who carry the pride of many generations with them as they enter the show ring or pick up the shears, and everyone involved is helping to carry on a truly Kiwi tradition. But it's also true to say that farming, and the farming lifestyle, are our future. There are young farmers here today who will lead New Zealand's most prosperous industry into tomorrow, and they and the people who support them deserve the positive attention shows like this provide.

Thank you for stopping by to enjoy some Arapohue hospitality, and thanks, too, from the whole committee to those stalwart sponsors and supporters who have made the show possible, year after year, from pioneering times and right up to the present. Without you this celebration of our heritage and our local pride would not be possible.

Enjoy the day - there's so much to see and do!

Andy Bryenton

RAS NORTHERN DISTRICTS YOUNG PARADER

Rules

The aim of this competition is to encourage young people to enhance their skills on animal handling and knowledge whilst fostering showmanship between competitors as well as having an opportunity to bridge the gap between calf club and the pedigree ring.

- This competition is run in the Northern District only and the overall top four placings will be selected from participants who live within the Northern Districts RAS region.
 - Competitors in the Junior competition are to be aged 5 – 12 (inclusive), whilst competitors in the Senior competition are to be aged 13 – 19 (inclusive). All ages are as of October 1st of the current show season. Competitors may be asked for proof of age on show day.
 - Entry is to be free for all competitors.
 - In the both the dairy and beef competitions, junior competitors may only enter a calf and senior competitors may enter either a calf or yearling only.
 - The competitor may only enter the beef or dairy class — not both. Any competitor recorded competing in both the dairy and beef section will be excluded from the overall competition.
 - To be eligible for the overall Northern Districts Young Parader prize, the competitor must compete in four or more Northern Districts A&P Shows in the particular class for the current show season. Please refer to the RAS website for a full list of Northern Districts A&P shows.
 - The competitor may enter as many shows as they wish, however their final score will be calculated as an average from their top four shows.
 - The highest-scoring Northern District competitors in each of the four classes will receive; \$100 for 1st place, \$75 for 2nd place, \$50 for 3rd place and \$25 for 4th place, sponsored by the Northern District RAS
 - Judges are to line-up all competitors. Shows are to record the names of all entrants regardless of placing.

Judging Guidelines

Presentation of the Competitor:

- The competitor is to wear a plain white shirt with dark pants and clean, strong, appropriate boots for cattle handling. No open footwear or gumboots are permitted.
- No logos or advertising whatsoever are permitted. This includes on hats and breed uniforms.

Presentation of the Animal:

- The conformation of the animal itself is ***not to be judged*** — however general presentation is to be taken into consideration. It is expected that the competitor has prepared the animal sufficiently themselves and is encouraged to know basic information about the animal such as birth date, breeding and rearing.
- Rope, leather, chain and nylon halters are permitted. It should be clean and fit the animal correctly.
- For beef competitors if a show stick or cane is carried, it is to be used correctly.

Parading of the Animal:

- The competitor should aim to display the animal in such a manner that the judge gains a clear view of the animal at all times and that the animal is seen to the best of its ability.
- Emphasis is placed on the effort of the competitor to be able to parade and handle in general regardless of the particular animal on the end of the halter, therefore senior competitors will be requested to swap animals (juniors will not).
 - The competitor should be able to stop, move the animal on and keep the animal under control whilst being aware of where the judge is in the ring.
 - Outside assistance is not permitted under any circumstances and competitors will be disqualified.

It is the responsibility of the show to brief the cattle judge fully, prior to this class with its specific rules and it is strongly recommended that this class is judged straight after lunch whilst animals, competitors and judges are fresh. The decision of the Northern Districts RAS Youth Representative is final.
